[RVR Horse Rescue Website Update](#)

We did a few updates to the design of [RVR Horse Rescue](#)'s website to be able to showcase more horses and give visitors easy access to learn about some of the newest rescues. We've also added the ability to give donations through PayPal, or through our online store, in the form of sponsorships, donations toward specific supplies, or purchasing RVR branded items. RVR is a non-profit organization in Riverview, Florida, just outside of Tampa.

This was what the website looked like before...
