[Web Design for Mold Remediation and Leak Detection Specialists in Tampa, FL](#)

We've been working with Environmental Protective Solutions on all their marketing material for years, and we finally were able upgrade their website! The are able to make edits themselves, and have a mobile-friendly version included!

Check it out and let us know what you think!

Tampa Mold Remediation Company Web Design

The screenshot shows the homepage of the Environmental Protective Solutions (EPS) website. At the top left is the EPS logo with the tagline "Environmental Protective Solutions". To the right of the logo, the services offered are listed: "Water Extraction", "Leak Detection", "Mold Remediation", and "General Contractor". Further right, contact information is provided: "Tampa: 813.927.3759" and "Nashville: 931.698.3527", along with a call to action: "Call Us Today for a Free Inspection/Quote". A small photo of the company staff is in the top right corner. Below the header is a navigation menu with links for "HOME", "ABOUT US", "SERVICES", "OUR CLIENTS", "FAQS", "TESTIMONIALS", "CONTACT US", and "GET QUOTE". The main content area features a large banner with the text "Have a LEAK or WATER issue? We can help..." and a photo of a man and a woman looking at a ceiling with a hole. To the right of the banner is a prominent orange button that says "Get a FREE Quote Now!" with a white arrow pointing right. Below the banner, there are two columns of text. The left column is titled "Our Solution" and describes the company's approach to mold and bacteria abatement. The right column is titled "Environmental Protective Solutions" and details the company's 30 years of experience and commitment to high standards. On the far right, there is a vertical list of client types: "Colleges / Hospitals", "Hotels/Motels", "Strip Centers", "Commercial", and "Residential".
